### Introduction

#### PURPOSE

The State Universities Civil Service System was created in 1952 as a separate entity of the State of Illinois and is under the control of the University Civil Service Merit Board as set forth in Section 36b(3) of the State Universities Civil Service Act (Act) (110 ILCS 70/36b(3)). The purpose of the State Universities Civil Service System is to establish a sound program of personnel administration for its constituent employers (110 ILCS 70/36b(2)). To achieve this purpose, the Merit Board has been given a broad range of statutory powers and duties, which include the power to make rules to carry out the purpose of the State Universities Civil Service System and to appoint an Executive Director to administer the Act (110 ILCS 70/36d(11) and (12)).

As part of its statutory power, the Merit Board has promulgated rules that delegate to the Executive Director the authority and responsibility for conducting “ongoing audit programs of all Civil Service operations at all places of employment for the purpose of assuring compliance with the [Act (110 ILCS 70/36b et seq.)] and [Part 250 of the Illinois Administrative Code (Code) (80 Ill. Adm. Code 250)] and for improving the programs of personnel administration of its constituent employers” (80 Ill. Adm. Code §250.140(c)). The Act and Code are hereinafter referred to as the Statute and Rules.

This report communicates the final outcome of a comprehensive human resource operational audit, which included an on-site evaluation that was conducted on August 26-27, 2008.

#### OVERVIEW

The following Human Resource activities were reviewed:

- **Assignment of Positions to Classes**  
The Auditor completes a review of selected job descriptions for timely updates, proper administration, and correct assignment of position classifications. Additional desk audits of selected positions are conducted onsite for appropriateness of position classifications. There is also an evaluation of the Employer’s desk audit process and conclusions during the time span audited.
- **Compensation Programs**  
The Auditor completes an analysis of the Employer’s use of pay rates and pay ranges approved by the Merit Board. An overall evaluation is then conducted of the Employer’s compensation program and initiatives to meet requirements of pay equity within the Employer’s market area.

- **Administration of Employment and Separation Procedures**  
The Auditor reviews the Employer's business processes and procedures related to the employment cycle, including pre-employment activities, probationary and status employment, and employment separation programs. There is also an assessment of the Employer's utilization and monitoring of non-status appointments.
- **Administration and Employment Protocols of Principal Administrative Appointments (PAA)**  
The Auditor completes a review of the employment protocols and assigned responsibilities for Principal Administrative Appointments. This review is conducted to assure compliance with the exemption authorization provided to each employer. The Employer's exemption forms and related position descriptions are reviewed and selected incumbent interviews are conducted for further validation of approved exemption. The audit process also includes a review of the Employer's administrative procedures related to these appointments and their approved exemption status.
- **General Review of the Employer's Human Resource Program**  
The Auditor completes a general review of the Employer's human resource programs with respect to effectiveness, efficiency and levels of communication to constituencies. There is also an assessment of the recognition and interaction of human resource programs within the Employer's faculty, administrative and support staff employee groups. The impact of new technology on the recordkeeping and processing of information is also an element for review.
- **Other Follow-up Items from Previous Audit**  
Other follow-up items from previous audits, as well as other matters deemed necessary and appropriate, may have been reviewed and submitted as additional audit subjects.

The following staff members from the System Office, Audit and Advisory Services Division, were directly responsible for conducting various aspects of the audit:

**Jeff Brownfield, Assistant Director**  
**Roger Frick, Human Resource Officer**  
**Paula Mitchell, Human Resource Assistant**
