5. Review of Correspondence: There were no correspondence submitted.

6. Public Comments: There were no public comments submitted.

7. Other Items as Presented

- Shauna Bishop reported regarding the community colleges and possible 4-year degrees legislation. Gail Schiesser indicated current legislation will not be moving forward, and NPR reported it is likely going to come back up either in the current or future legislative sessions. Shauna then provided resources available for anyone to look at in regard to the status of legislation (ILGA.gov, Legiscan.com/IL) No federal legislation has been reported on by the Chair, but an eye will be kept on the current affairs for if something comes up that impacts the Universities (grant funding, etc.).
- John Evans asked if this committee has done any advocating for filling out witness slips for legislation that has gone to the committee. This has been a gray area as to if it can be done as members of the State University Civil Service Advisory Committee (SUCSAC).

Gail Schiesser commented that she didn't see why us as an elected member of this committee wouldn't be able to. However, she suggested that if anyone on the committee utilizes time to submit anything on behalf of SUCSAC that it is done outside of work time, but anyone is allowed to utilize work email addresses. If offering public testimony then that is an off-hours item.

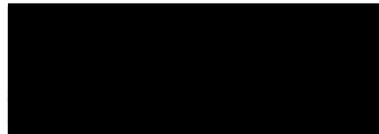

- Chris Doe mentioned that NIU has a legislative liaison and they will be taking some time in May/June to chat so Chris can learn more about the legislative process.
- Gail Schiesser asked if bill SB1376 had been looked at (deals with historical cost of attendance disclosure). Passed through the Senate and is in the House.

8. Adjournment: Motion made by John Evans, seconded by Andy Harpst. Meeting adjourned at 10:40am.

Respectfully submitted,

Christine Doe
Secretary, Legislative Committee

Shauna Bishop
Chair, Legislative Committee
