Classes are currently used by UIC

*Change-in-Title policy requirements reflect revised procedures issued 11/14/07. Change-in-title actions listed above are strongly recommended, with positions assigned to the appropriate new/revised classifications based on a thorough review of job duties and assignments.

Voiding/Deleting Registers

The employment registers for the Ophthalmic Technical Personnel Series classification shall be voided at the close of business on April 30, 2024. All testing materials related to this title shall be destroyed.

Reemployment Registers

Upon utilization of CIT Policy #1, individuals on the Reemployment Register are entitled to remain on the Reemployment Register for the classification designated to replace the previous classification or for a classification reasonably equivalent to the previous classification specification and examination. Reemployment Registers shall not be voided.

Class Specification and Examination Components/Instruments

The new class specification and examining instruments for the Ophthalmic Technician Series classification(s) will be effective (available per E-Test) on May 1, 2024. For details on class specification and other information, i.e., occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.illinois.gov.

Pay Rate/Ranges

Employers should adjust or establish new pay rates/ranges to accompany the above changes where necessary. In some instances, establishing a broad pay range will optimize the opportunity for each employer to properly reflect their compensation programs for these operations and positions.

Seniority

Seniority calculations shall be reviewed and established based on the final classification assignment.
